**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition! We need more choices! With more choices, companies compete to be better in service, price and product. I, as a consumer, can enjoy the best out of it. With competition, it would improve the quality of life and help the society. Nothing should stop this competition at all.
